

Archbishop Quigley 4th Annual Chess Tournament

For 7th & 8th Grade Boys

Hosted by the Chessnuts - Quigley's Chess Team

Saturday, December 10 - Check-In: 9:00 a.m.

Tournament Begins: 9:30 a.m. - Awards Presentation: approximately 11:30

Certificates for all players - Medals for the top finishers

There is no fee, but pre-registration is required.

There will be two rounds of play:

In Round 1, all chess players will play against the computer, using the software Chessmaster. All students will play at the same time in Quigley's Computer Lab. All players will play at the same level, the Novice level.

After ½ hour of play against the computer, the players with the best winning record will advance to Round 2.

In Round 2, those players who have qualified will now play against each other. This competition will take place in our library. Though play is dependant on the number of Round 2 players, players will probably play a minimum of two games and a maximum of three games. As the players advance through competition, the winner of the whole competition will be that player who advances through to the final championship game and is the winner of this final game. 2nd, 3rd, 4th, 5th etc. will be determined by how far a player advances in round 2.

As Round 2 competition continues, those players who did not advance into Round 2 are welcome to enjoy Archbishop Quigley's computer lab and tour the school.

We ask that you register by phone, fax, e-mail, or regular mail by Fri., Dec. 2. We need to know how many players to expect.

Archbishop Quigley, located at Rush and Chestnut, ½ block west of the John Hancock
Limited free parking at Holy Name Cathedral, Chicago and State.

Admissions Office :Brian Condon bcondon@quigley.org, Matt Gerros mgerros@quigley.org, Nathaniel Shoher nshoher@quigley.org
